Dr. Turner Brooks may be the professional brother, but he's also the adrenaline junkie. When he meets Annabelle, a girl scared to death of veering from the path she's paved for herself, all he wants to do is push her out of that comfort zone.Annabelle has already lost too much. She wants to stay focused on her new nursing job and away from unnecessary risks. Turner Brooks is exactly that - an unnecessary risk. She's heard the rumors about him flying around the hospital, describing him as a "womanizer" or "sex god." Yeah, she doesn't need that.Still, Turner tries to teach her that life is full of risks worth taking. As they grow closer and she begins to let go, the unexpected happens.Will they be able to recover from that surprising fastball or could this be the final strike out?

Hadley Marten's first year at LSU was supposed to be a fresh start. Somewhere she could reinvent herself and leave behind old stigmas. Eighteen years of being a nobody, and she was ready to be a somebody. Just when she thought she could finally take life by the horns, she heard a familiar voice say her name. Wrigley Brooks was the boy she always wanted, but could never have. He was the last single Brooks brother. One forced friendship, budding feelings, and a man that can't take no for an answer, has her world turned upside down. Life was determined to show Hadley that there was a lesson in everything. Whether she liked it or not.

All Keegan wanted was a roommate who was quiet, minded their own business, and paid for part of the rent. Instead, she got Camden Brooks.Camden, with his sinful body, sharp tongue, and the inability to stay out of Keegan's personal space, couldn't seem to curb his interest in the new girl who wouldn't put up with his domineering waysFeelings were running rampant, sexual tension was thick, and both were struggling to let go of control. To some people, getting a roommate simply meant living with another person. But to both Camden and Keegan it was a curveball that neither was prepared to swing at.

A provocative new book that shows us why we must put American history firmly in a global context--from 1492 to today Americans like to tell their country's story as if the United States were naturally autonomous and self-sufficient, with characters, ideas, and situations unique to itself. Thomas Bender asks us to rethink this "exceptionalism" and to reconsider the conventional narrative. He proposes that America has grappled with circumstances, doctrines, new developments, and events that other nations, too, have faced, and that we can only benefit from recognizing this. Bender's exciting argument begins with the discovery of the Americas at a time when peoples everywhere first felt the transforming effects of oceanic travel and trade. He then reconsiders our founding Revolution, occurring in an age of rebellion on many continents; the Civil War, happening when many countries were redefining their core beliefs about the nature of freedom and the meaning of nationhood; and the later imperialism that pitted the United States against Germany, Spain, France, and England. Industrialism and urbanization, laissez-faire economics, capitalism and socialism, and new technologies are other factors that Bender views in the light of global developments. A Nation Among Nations is a passionate, persuasive book that makes clear what damage is done when we let the old view of America alone in the world falsify our history. Bender boldly challenges us to think beyond our borders.

Lonely and lost, I knew I had to leave, even though I didn't know where I was headed. Driving without a purpose, I let the roads lead. I was just a shell of my former self, devoid of feelings. Hoping I'd find the missing pieces of myself along the way. Then I saw him -those menacing deep brown eyes, and an air around him that was formidable. I knew that picking up a hitchhiker was a dangerous thing to do, but I was desperate. Desperate for what, you ask? To feel.

Women are constantly faced with choices and demands. They can achieve great success in life, yet they still have a deep, nurturing center that longs to be expressed and fulfilled. They want to be a leader for their families and communities, and attain all that they desire, require, and deserve. How can women fully manifest their power while honoring their fluid and flexible feminine nature? After traveling down this road herself, Sierra Bender experienced a hard-won spiritual breakthrough and discovered that the answers to her questions couldn't be found in traditional healing systems or in our spiritually disconnected society-they were found, quite simply, within. In Goddess to the Core, Sierra offers a new way of living with true power and purpose by redefining fitness, beauty, and power for the twenty-first-century woman. Her unique method of healing from the inside out breaks the cycle of stress and disempowerment by developing all four bodies-spiritual, mental, emotional, and physical-to help women reclaim, restore, and rejoice in their core feminine essence. Cultivate inner knowing to understand one's true nature Learn silence so the mind and heart can evaluate and reflect Work with the breath to deepen emotional intelligence Gain a stronger, leaner, more stable muscular foundation Using an innovative mix of yoga techniques and indigenous spiritual tools such as smudging, prayer, ritual, and meditation, Sierra offers women practical guidance and inspiration for taking back vital energy while rediscovering happiness, health and wellness, inside and out. Praise: "Her unique integrative program offers women a blend of ancient and modern, spiritual and physical tools for strengthening themselves from the inside out. When women leave her workshop at Omega, their transformation is absolutely visible!" —Carla Goldstein, Director of the Women's Leadership Center at the Omega Institute "...[A] force of nature, an inspired teacher who has through direct experience created an astonishing technique of transformation certain to reveal the goddess within." —Wade Davis, Explorer-in-Residence, National Geographic Society and bestselling author of One River and The Serpent and the Rainbow "She has seemingly interminable knowledge about how to help women 'be women.' She herself is challenging, compassionate, and radiantly confident, a model of how to balance the warrior and goddess energies women have." —Sharon M., Ph.D., Harvard Medical School executive coach for women "Sierra Bender is not an academic who was dying to teach because she was afraid of living; she is a "Warrior of Life" who can teach because she allowed nearly dying to discover living." —Warren Farrell, Ph.D., author of Why Men Are the Way They Are and Women Can't Hear What Men Don't Say

Earth's climate has undergone dramatic changes over the geologic timescale. At one extreme, Earth has been glaciated from the poles to the equator for periods that may have lasted millions of years. At another, temperatures were once so warm that the Canadian Arctic was heavily forested and large dinosaurs lived on Antarctica. Paleoclimatology is the study of such changes and their causes. Studying Earth's long-term climate history gives scientists vital clues about anthropogenic global warming and how climate is affected by human endeavor. In this book, Michael Bender, an internationally recognized authority on paleoclimate, provides a concise, comprehensive, and sophisticated introduction to the subject. After briefly describing the major periods in Earth history to provide geologic context, he discusses controls on climate and how the record of past climate is determined. The heart of the book then proceeds chronologically, introducing the history of climate changes over millions of years--its patterns and major transitions, and why average global temperature has varied so much. The book ends with a discussion of the Holocene (the past 10,000 years) and by putting manmade climate change in the context of paleoclimate. The most up-to-date overview on the subject, Paleoclimate provides an ideal introduction to undergraduates, nonspecialist scientists, and general readers with a scientific background.

In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the darkest hour, love is the only true safe haven.

Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor's garden for seven years. Her five year old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma's games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

Colton Hadley has everything—except what he truly wants. Beset by overbearing parents and surrounded by sycophantic socialites hoping to sink their claws into his wallet, he longs for someone who wants him for who he is, not what he has. Enter Charlie. She’s smart, beautiful, brave—and homeless. She’s all wrong for him, but Charlie crawls into Colts heart like no woman ever before. Having run from home to escape an

abusive ex, Charlotte Ward just wants a new life...a quiet life...a safe life. She's off to a bad start when she's robbed of everything she owns, forcing her to sleep on the porch of an abandoned beach house. Enter the gorgeous next-door neighbor. Charlie doesn't want to trust him, but Colt is kind, patient, persistent. Before long, she lets down her guard...and opens her heart. With his parents interfering and her past catching up fast, will Colt and Charlie find their different worlds are too far apart? Or is their love strong enough to prove home is where their hearts reside?
