The Honors course will move at a pace that is considerably faster than the 8th grade course. We will complete the entire book, Discovering French Nouveau Bleu 1b (Units 5-8). More homework will be assigned and there will be more of a focus on the structure of the French language.

Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Français écrit and Français parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the practical language section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Units 3, 6, 9, and 11. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

When theft escalates to murder at a French vineyard, a crime wave sweeps over the tranquil town of Aix-en-Provence Provençal Mystery Series #3 Watch the series! Murder in Provence is now on Britbox. Winery owner Olivier Bonnard is devastated when he discovers that a priceless cache of rare vintages has been stolen from his private cellar. Soon after, Monsieur Gilles d'Arras arrives at Aix-en-Provence's Palais de Justice to report another mysterious

disappearance: his wife, Pauline, has vanished from their lavish apartment. Madame has always been as tough as nails, but in recent weeks she's been wandering around town in her slippers, crying for no reason. As the mistral arrives to temper the region's late-summer heat, Commissioner Paulik receives an urgent call from Bonnard: he's just found Pauline d'Arras—dead in his vineyard. Verlaque and Bonnet are once again investigating, in what will prove to be their most complicated case yet. Fans of Donna Leon and Andrea Camilleri, Francophiles, and foodies alike will adore this captivating whodunit. In her riveting follow-up to *Death at the Chateau Bremont* and *Murder in the Rue Dumas*, M. L. Longworth masterfully evokes the sights, sounds, and tastes of late-summer Provence, where the mistral blows and death springs up in the most unexpected places. "Judge Antoine Verlaque, the sleuth in this civilized series, discharges his professional duties with discretion. But we're here to taste the wines. So many bottles, so many lovely views. A reader might be forgiven for feeling woozy." —The New York Times Book Review
