president as the single most important person in the war against terrorism. After years of working covertly behind the scenes, Rapp is now in the glare of the public spotlight, marked by every terrorist from Jakarta to London, who now know his identity. Consequently, Rapp is resigned to leaving the front line. That is, until a platoon of Navy SEALs on a covert mission to the Philippines suffers a surprise attack. All evidence concludes that the source of the mission's leak lies in the US State Department and the Philippine embassy. But a greater threat still lurks - an unknown assassin working closely with the highest powers in the Middle East bent on igniting war. Now, with the world probing into his every move, will Rapp be able to overcome this anonymous foe and once again protect the world from the threat of

underground bunker - but not before almost one hundred hostages are taken. While the politicians and the military leaders argue over how to negotiate with the terrorists, one man is sent to break through the barrage of panicked responses and political agendas surrounding the crisis. Mitch Rapp, the CIA's top counterterrorism agent, makes his way into the White House and soon discovers that the president is not as safe as Washington's power elite had thought. And, in a race against time, he makes a chilling discovery that could determine the fate of America - and realizes that the terrorist attack is only the beginning of a master scheme to undermine an entire nation. Look out for the new Vince Flynn novel, *The Survivor*, published in autumn 2015!

government who would like to see him eliminated. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son. He wants Rapp dead -- and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No 1 counterterrorism operative -- and they've decided to seize the chance. The Hunter has become the Hunted. A tragedy of unimaginable proportions is about to befall Mitch Rapp -- and he must use all his cunning, skill and ruthless determination to stay alive and seek vengeance against the traitor who would bring him down.

race against the clock when ISIS takes out the entire US power grid and throws the country into chaos. When Mitch Rapp captures ISIS's top technology expert, he reveals that he was on his way to meet a man who claims to have the ability to bring down America's power grid. Rapp is determined to eliminate this shadowy figure, but the CIA's trap fails. The Agency is still trying to determine what went wrong when ISIS operatives help this cyber terrorist do what he said he could—plunge the country into darkness. With no concept of how this unprecedented act was accomplished, the task of getting the power back on could take months. Perhaps even years. Rapp and his team embark on a desperate search for the only people who know how to repair the damage—the ones responsible. But his

Thomas Stansfield forms a new group of clandestine operatives—men who do not exist—to meet this burgeoning threat abroad before it reaches America's shores. Stansfield's protégée, Irene Kennedy, finds the ideal candidate in the wake of the Pan Am Lockerbie terrorist attack. Among the thousands grieving the victims is Mitch Rapp, a gifted college athlete, who wants only one thing: retribution. Six months of intense training prepare him to devastate the enemy with brutal efficiency, leaving a trail of bodies from Istanbul and across Europe, to Beirut. But there, the American assassin will need every ounce of skill and cunning to survive the war-ravaged city and its deadly terrorist factions.
