An exploration of marriage and the rich relationship that can exist between father and daughter, The Riders is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. The Riders is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. Not until he meets Georgie Jutland, the wife of White Point's most prosperous fisherman, does Fox begin to dream again and hear the dirt music—"anything you can play on a verandah or porch," he tells Georgie, "without electricity." Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, Dirt Music resonates with suspense, emotion, and timeless truths.

That Eye, the Sky is Tim Winton's luminous novel about a boy's vision of the world beyond, and about finding a way through cataclysm. Ort knows the sky is watching. He knows what it means to watch; he spends long hours listening at doors and peering through cracks. Things are terribly wrong. His father is withering away, his sister is consumed by hatred, his grandmother is all inside herself, and his mother, a flower-child of the 1960s, is brave but helpless. Then a strange man appears at their door. That Eye, the Sky is a novel about the miraculous power of love, and the blurry distinctions between the natural and the supernatural. All this, and more, begins at the moment the ute driven by Ort Flack's father ploughs into a roadside tree, throwing the whole world out of kilter. 'The best book about a boy I've read since Huckleberry Finn.' Sydney Morning Herald 'A story of generosity, insight and originality.' Weekend Australian 'A wrenching story that proves that love like Ort's can prevail against hell itself.' Publisher's Weekly

Tim Winton's first Miles Franklin-winner, Shallows revolves around the ruthless commerce of whaling, and Queenie Cookson, who joins the fight to end it. Whales have always been the life-force of Angelus, a small town on the south coast of Western Australia. Their annual passing defines the rhythms of a life where little changes, and the town depends on their carcasses. So when the battle begins on the beaches outside their town, and when Queenie Cookson, a local girl, joins the Greenies to make amends for the crimes of her whaling ancestors, it can only throw everything into chaos. 'Shallows is that rare thing, not historical fiction, but fiction which brings the history of a place to life . . . a major work of Australia literature.' Washington Post 'A profound and inspiring work of fiction.' The Age 'This is dazzling, dazzling. It makes the heart pound.' Los Angeles Times 'Shallows is more than a passionate meditation on the tragedy of whaling; it is in some ways a minimalist Moby Dick, a questioning of the ways of God to man and of man to God.' Sydney Morning Herald
