Are Christians Guilty of Blind Faith, or Is The Bible Really God's Inspired Word? Can You Ever Know For Sure? Join best-selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life. In answering the riveting question, “ Has God spoken? ” , Hanegraaff uses manuscript evidence, archeology, predictive prophecy, and much more to memorably demonstrate that the Bible is divine rather than merely human in origin. Hanegraaff demolishes modern objections to Scripture, such as: There are more mistakes in manuscript copies of the Bible than there are words in the New Testament. The biblical account of King David is no more factual than tales of King Arthur—there simply is no evidence in archeology or history for Israel ’ s quintessential king. Contemporary prophets are proven 100 percent wrong, 100 percent of the time, and biblical prophets are just as unreliable. Has God Spoken? joins its predecessors—The Face That Demonstrates the Farce of Evolution and Resurrection—as Hanegraaff ’ s final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today.

Unlock a relationship with God that will transform your life... forever! If you have seen me you have seen my Father (Abba)... Jesus – (John 14:9) Throughout His life and ministry, Jesus revealed Father God to humanity. Because of what He accomplished on the Cross, now it is possible for everyone to cry out “ Abba Father. ” While Jesus walked the Earth, He was perfect example of what intimacy with the Heavenly Father would look like for every believer throughout the ages. Revealing Abba will: Help you unlock the powerful relationship with the Father that is available through Jesus. Show you how to relate with God in a more personal, intimate way Remind you of the Heavenly Father ’ s unfailing love that never forsakes His children Jesus modeled intimacy with God because He knew, one day, you too would be able to experience this same life-transforming relationship. Get ready to know and encounter the Father like never before!

Hank Hanegraaff has heard it all. He knows what questions plague believers and nonbelievers. And he's done something about it--he's spelled out the answers. The Bible Answer Book is a simple guide covering 80 of the top questions that the Bible Answer Man has dealt with in his ministry. Topics include parents and kids, religions, difficulty, faith, fear, sin, salvation, and many more issues vital to understanding the path to better understanding God. Each question is approached in Hanegraaff's scholarly, easy-to-understand style, and he even suggests additional sources for readers who want to explore the topics further.

It begins when hardheaded mountain matriarch Granny Mustard decides she wants to live forever, but then is killed. Her slow-witted but equally hardheaded granddaughter Jenkie decides to pick up the ball and run with it, taking Granny's unperfected immortality moonshine recipe, a socially-inept friend named Bink, and dreams of fame and fortune to an abandoned trailer up in Desper Hollow. But slow-witted doesn't stand against the terrible power Granny initiated. Jenkie's experiments only worsen the troubles with Granny's original recipe, bringing dead critters and a few stray folks back to a state of hungry, vicious, mindless animation. Now a stash of the living dead is locked up in the back of the trailer, a howling heard that has Jenkie terrified. And Armistead, one of the red-eyed living dead, seems way too alert for comfort. Mountain resident Kathy Shaw and Hollywood pitchman Jack Carroll, who is looking for the next hit reality show, find themselves caught up in the growing horror surrounding Desper Hollow. They can't avoid it and must face it head on. So must Armistead, who fights the fog of his ghastly condition to discover the truth of who he really is.

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “ Antichrist ” and the “ Great Whore of Babylon, ” and what is the real meaning of “ 666 ” ? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today ’ s world.

“ Provocative and passionate, this fascinating book is a must-read for everyone who ’ s interested in end-times controversies. ” — Lee Strobel, Author, The Case for the Real Jesus “ This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the Left Behind series should read this book. The fog will clear, and common sense will return to our reading of the Bible. ” — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

In September 2002 she married the man of her dreams. In June 2005 they purchased their home in paradise. It was the perfect love nest, the kind of home most people can only dream about. Their private get-a-way was nestled in 5.75 acres of plush exotic land, with a towering forest of landscape and natural habitat, overlooking several creeks and streams with breath taking sunset views from every angle. It was secretly hidden from the world, a place where deer's and rabbits seek refuge; where the falcons soared and roamed freely without fear of discovery. It was the summer of their lives, with a newly built wrap-around deck that lit up the night. They were the envy of all their friends and neighbors. Until one day the perfect dream they once shared came crashing down around them! Their once perfect marriage would be put to the test. Voluntary humility is an honor and privilege best served with a willing, sincere and open heart. To be humbled by God, is an indescribable devastation of heartache and pain for which they would soon discover. September 2009 the flood they once mocked and avoided two years prior, returns with a wicked vengeance, only this time it would take most of the city and their home in paradise with it! Being homeless with only the clothes on their backs, they did not sin nor did they charge God with wrong. They were hard-pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not forsaken; struck down, but not destroyed. In this faith based book, Bernita Weston shares with the world how they were able to turn their tragedy into triumph.
