Still, the sources it quoted were anonymous, and there was no official word about what was going on. Business deals are, after all, not typically spectator sports. On March 11, 2022, global ...

About the book This book has been considered as culturally important by scholars.

This book is the list of printed documents I have collected about the Philippines in general and the Tagalog language in particular. The entries are followed by an index of the themes involved.

When the Spaniards conquered the Philippines (Cebu 1565, Manila 1571), they noticed several of its nations had a writing system of their own, called Bayb?yin in Tagalog. It was a kind of short-hand that did not make it possible to record closing consonants; thus i-lu in Bayb?yin could represent ?-log "river", i-l?ng "nose" or it-l?g "egg", so much so that, while easy to write, it was difficult to read. Because of this shortcoming, it gave way to the Latin alphabet in the course of the 17th century. Nowadays Filipino graphic artists are reviving Bayb?yin to express their philippineness.

Succumb to one churchman's apocalyptic vision in this prophetic tale by the radical Nobel Laureate and author of Lord of the Flies, William Golding (recorded by Benedict Cumberbatch as an audiobook). There were three sorts of people. Those who ran, those who stayed, and those who were built in. Dean Jocelin has a vision: that God has chosen him to erect a great spire. His master builder fearfully advises against it, for the old cathedral was miraculously built without foundations. But Jocelin is obsessed with fashioning his prayer in stone. As his halo of hair grows wilder and his dark angel darker, the spire rises octagon upon octagon, pinnacle by pinnacle, watched over by the gargoyles - until the stone pillars shriek, the earth beneath creeps, and the spire's shadow falls like an axe on the medieval world below ... 'Astounding ... So recklessly beautiful, so sad and so strange ... Holds such a place in my soul that it's more or less a sacred text.' Sarah Perry 'A kind of miracle ... Genius.' Guardian 'Quite simply, a marvel.' NYRB 'Superb ... A classic.' Rebecca West 'A master fabulist .. An iconoclast.' John Fowles 'A visionary ... His masterwork [of] faith, folly and desperate desire ... Golding at his best.' Benjamin Myers

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of Priest and Misadventures of a Curvy Girl comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

On March 14, 2012, more than three million people read Greg Smith's bombshell Op-Ed in the New York Times titled "Why I Am Leaving Goldman Sachs." The column immediately went viral, became a worldwide trending topic on Twitter, and drew passionate responses from former Fed chairman Paul Volcker, legendary General Electric CEO Jack Welch, and New York City mayor Mike Bloomberg. Mostly, though, it hit a nerve among the general public who question the role of Wall Street in society -- and the callous "take-the-money-and-run" mentality that brought the world economy to its knees a few short years ago. Smith now picks up where his Op-Ed left off. His story begins in the summer of 2000, when an idealistic 21-year-old arrives as an intern at Goldman Sachs and learns about the firm's Business Principle #1: Our clients' interests always come first. This remains Smith's mantra as he rises from intern to analyst to sales trader, with clients controlling assets of more than a trillion dollars. From the shenanigans of his summer internship during the technology bubble to Las Vegas hot tubs and the excesses of the real estate boom; from the career lifeline he received from an NFL Hall of Famer during the bear market to the day Warren Buffett came to save Goldman Sachs from extinction-Smith will take the reader on his personal journey through the firm, and bring us inside the world's most powerful bank. Smith describes in page-turning detail how the most storied investment bank on Wall Street went from taking iconic companies like Ford, Sears, and Microsoft public to becoming a "vampire squid" that referred to its clients as "muppets" and paid the government a record half-billion dollars to settle SEC charges. He shows the evolution of Wall Street into an industry riddled with conflicts of interest and a profit-at-all-costs mentality: a perfectly rigged game at the expense of the economy and the society at large. After conversations with nine Goldman Sachs partners over a twelve-month period proved fruitless, Smith came to believe that the only way the system would ever change was for an insider to finally speak out publicly. He walked away from his career and took matters into his own hands. This is his story.

A New York Times Bestselling Author A CBA Bestselling Author A Christy and RITA Award-winning AuthorWhen King Xerxes of Persia issues a call for beautiful young women, Hadassah, a Jewish orphan living in Susa, is forcibly taken to the palace. After months of preparation, the girl known as Esther wins the king's heart and a queen's crown. Then she learns that an evil and ambitious man has won the king's permission to exterminate all Jews. Violating an ancient Persian law, she risks her life in order to save her people . . . and bind her husband's heart.
