is a maturing man, a striving man, a knowledgeable man. And the first step in real manhood is spiritual rebirth. In Man of God, Dr. Stanley asks and answers questions such as these: What can we learn about manhood from Jesus's example? How does a true leader allow God to lead him? Why is a godly man "both velvet and steel"? What does it look like to be a provider? What does it mean to lead with sensitivity? Man of God will challenge and equip you to become a better leader, teacher, father, and husband. What makes a man? The answer starts here. Includes study guide for individuals or groups.

Juan Cordoba, a pseudonym, tells of his work on an international peace-keeping mission on the borders of Egypt and Israel. "Being born gay in a straight society, I faced the challenge of being true to myself and coming to terms with my own sexuality, while also living within the confines of an all-male military environment," Juan writes. The hatred and persecution that followed the publication of this book in Spanish caused Juan to flee his home country. "My hope is that this open and
