Narratives tell stories that often have meanings that stretch beyond the events being retold. The most effective narratives allow the reader to identify with the story. For example, as the author of a first-person narrative recounts the details of a story that is foreign to your own life experience, you may find yourself laughing and nodding, or perhaps cringing in recognition.

"An engaging collection of 65 short essays organized by the writing strategies all writers use: narration, description, comparison, and more. Organized by rhetorical patterns, readings are 2 - 3 pages long and are written by contemporary authors. From Trevor Noah, Ocean Vuong, and Jesmyn Ward to Amy Tan, Mike Rose, and Martin Luther King Jr., The Norton Sampler offers writing by contemporary & classic authors on topics students want to read about. New readings and thematic clusters on "Whose Stories Get Heard?," social justice, and overcoming adversity make the 10th edition the most inspiring yet. The new Chapter 1, "Reading like a Writer," gives students strategies and examples for reading actively and critically-including innovative new templates for previewing and annotating a text. The Norton Sampler features practical writing instruction, including templates to get students started writing, chapters on developing a thesis and writing paragraphs, and tips for dealing with predictable errors. An appendix provides guidelines for MLA style documentation"--

"Let's Talk is a small rhetoric that covers genres of writing students are most often assigned to do. It also provides everything they need for doing research, including explicit guidelines to help them decide which sources to trust - and how to fact-check any that they question. And it includes assignable chapters on listening with an open mind and engaging respectfully with others. Students are encouraged to seek out, engage, and listen to people with viewpoints that differ from their own"--

"Easy to use and easy to afford, The Little Seagull Handbook is the #1 brief handbook because students say it has a positive impact on their writing. Intuitive organization, color-coding, and jargon-free instruction for common kinds of writing make it a reference tool that student writers truly use. This edition includes new advice for conducting research as it's done online today, new student model essays, and a new chapter on writing summary/response essays"--
