The Blue Guardian Control Tactics Program is created with Canadian police and security in mind, although international students will benefit from the technical and tactical training also. Topics include; Use of Force Handcuffing Baton Use Takedowns Ground Fighting Control Holds and more. "Tom Gillis' Control Tactics Manual is a very comprehensive, complete training manual for trainers that teach street tactics for law enforcement officers. It organizes each section into modules so each section of training is completed before going to the next section. This Manual is an excellent addition to any defensive tactics instructor's library." Larry Smith, Lt. (retired) San Diego (CA) Police Department

This revised edition retains the exceptional organization and coverage of the previous editions and is designed for the training and certification needs of first-line security officers and supervisors throughout the private and public security industry. * Completely updated with coverage of all core security principles * Course text for the Certified Protection Officer (CPO) Program * Includes all new sections on information security, terrorism awareness, and first response during crises

We experience conflict in every aspect of life, this is the human condition. Often, the method with which we communicate with others is the catalyst for much of the conflict we experience whether that was our intent or not. This handbook is designed to provide the reader with various communications skills that are easy to understand, easy to apply, and if applied properly, will greatly reduce the incidences of conflict. The techniques taught in this manual can greatly reduce the level of conflict in the Lodge as well as at home and the workplace.
