This supplement outlines the key sections of each chapter, provides students with self-test questions, and also provides a set of problems and solutions similar to those in the text, and in the Test Bank. Because many instructors use multiple-choice exams, we include exam-type questions and problems in the Study Guide.

With its exciting introduction of the Harley-Davidson focus company theme, this book continues to provide a solid, enduring foundation of the tools of modern theory while at the same time developing the logic behind their use. The “10 Principles of Finance” (formerly “Axioms” ) provide the framework, or “the big picture” of finance, which ties the major concepts of the book together. A six-part organization covers the scope and environment of financial management, valuation of financial assets, investment in long-term assets, capital structure and dividend policy, working-capital management, and special topics in finance, and special topics in finance. For an enduring understanding of the basic tools and fundamental principles upon which finance is based.

Discover success in finance as you examine today's most relevant financial concepts in PRINCIPLES OF FINANCE, Fourth Edition, by leading authors Besley/Brigham. This reader-friendly, practical survey text combines coverage of financial markets and institutions, investments, and managerial finance with an emphasis on the financial tools you need for personal financial success. You will immediately see the relevance and value of the information you are learning. New features in each chapter clearly demonstrate how topics relate to your personal financial needs and can influence both immediate and long-term common financial decisions. Expanded coverage of spreadsheets within relevant chapters, appendices, and an end-of-book tutorial ensure you know how to maximize this critical tool for financial decisions. Find the diversity of coverage and practical financial strengths for success in today's course and your future beyond with Besley/Brigham's PRINCIPLES OF FINANCE, Fourth Edition.
