4.248 and 6.354 engine.

Certain measures need to be taken when removing the fuel injection pump as well installing it. Removal: First, before removing the injection pump make sure you can still see the scribe mark that Perkins put on the engine block. This can be found on the engine block just under the injection pump flange.

Perkins Engine Timing Marks - trumpetmaster.com

Locate the other scribe mark on the ear of the injection pump (there are three mounting ears; the mark should be on the one facing away from the engine). If you do not find this scribe mark on the block than make your own using a knife or other sharp object. The two lines or scribe marks should be in line with each other.
