Trafficked The Terrifying

When Sophie Hayes met the mysterious and charming stranger Bledi, she knew he would change her life - but she had no idea how much. At first, it was a typical whirlwind romance. But one day Bledi told Sophie that love always comes at a price...Bledi tricked Sophie into travelling to Italy, where he forced her into selling her body on the streets to help him pay off a large debt. When she refused, he beat her, stole her passport and locked the doors. Terrified and ashamed, Sophie worked the dangerous Italian streets without rest, seeing as many as 30 clients in a night. She was completely at Bledi's mercy for food, for clothes and for shelter. With no money, no friends and no family, she was trapped. But Sophie found the strength to keep going, clinging to life by a single thread of hope: that somehow she'd find a way to escape.

He'd been her friend for years. He said he loved her. Then she realised she didn't know him at all...

The haunting, unforgettable memoir that took the UK by storm, *Trafficked* is a gripping first-hand account of a young woman who survived the horrors of human trafficking. Sophie Hayes, a young, educated English woman, was spending an idyllic weekend in Italy with her seemingly charming boyfriend. But the day of her return home, he made it clear she wasn't going anywhere. Punching and shouting at her, he threatened to kill her adored younger brothers if she didn't cooperate to help him pay off hundreds of thousands of dollars he'd racked up in debts. Over the next six months, Sophie is forced to work as a prostitute in a country where she didn't speak the language, nobody knows her whereabouts, and

escape seems impossible. She struggles to survive, constantly at the mercy of her boyfriend's violent moods and living in fear of being killed by any of her customers. When a life-threatening illness lands her in the hospital, Sophie has a chance to phone her mother and escape—if her boyfriend doesn't get to her first. Chilling and captivating, *Trafficked* is one of the first memoirs to present a stunning personal look at the criminal human sex trafficking trade and bring this disturbingly widespread abuse to light.

Growing up in a quiet, middle-class suburb outside of Amsterdam, childhood best friends Anna and Olivia had their whole lives ahead of them. But every parent's worst nightmare came true when the teenagers fell in with the wrong crowd. Eleven years their senior, Ricardo was charming and good-looking - and Anna

and Oliva easy prey. Blind to his grooming, the girls were soon trapped in a terrifying cycle of sexual and physical abuse. But their nightmare was only just beginning. Trafficked to the neon-lit windows of Amsterdam's Red Light District, Anna and Oliva were forced to work as prostitutes, servicing countless men night after night against their will. Body for Rent reveals the disturbing truth behind Amsterdam's Red Light District, and the shocking ease with which ordinary girls can be exploited. But despite the unimaginable horrors they endured, the damage done to their bodies and their minds, their friendship remained as strong as ever, giving them hope that one day, they would escape...

dangerous world of human trafficking, most people in the U.S. still believe this is something that happens to foreign women, men, and children--not something that happens to their own. In this powerful true story, Theresa L. Flores shares how her life as an All-American, blonde-haired 15-year-old teenager who could have been your neighbor was enslaved into the dangerous world of sex trafficking while living in an upper-middle class suburb of Detroit. Her story peels the cover off of this horrific criminal activity and gives dedicated activists as well as casual bystanders a glimpse into the underbelly of trafficking. And it all happened while living at home without her parents ever knowing about it. Involuntarily involved in a large underground criminal ring, Ms. Flores endured more as a child than most adults will ever face their entire lives. In this book, Ms. Flores discusses how she

healed the wounds of sexual servitude and offers advice to parents and professionals on preventing this from occurring again, educating and presenting significant facts on human trafficking in modern day America.

At the vulnerable age of 12, Lara McDonnell was picked out by a gang of men who befriended her, showered her with attention and gained her trust. Manipulated and groomed, her life quickly spiralled out of control as the men trafficked her around the country, deliberately keeping her compliant with drink and drugs. Deeply disturbed, and frightened about what the gang would do to her if she tried to break free, it would take over 4 years for Lara to find the strength to fight back, flee Oxford and escape her nightmare. This is her heartbreaking story.

'I was trapped. I'd been raped so many times, abused by hundreds, if not thousands. They could have left every door open and it would have made no difference. And I always came back –they always brought me back.' From the age of 14, Caitlin was controlled, raped, sold and passed on to new gangs across the UK over and over again. Her abusers were blatant in their attacks upon her, often collecting her from school or home, to be taken to flats they owned, family homes, or hotels booked for the day, to be horrifically and systematically abused. Having finally escaped, Please, Let Me Go is Caitlin's shocking story of abuse and survival.

illegal and sordid underworld of

trafficking in human organs, this title presents an incredible story of triumph over evil in the modern world. A

seemingly innocent sip of Coca-Cola,

drunk by a desperately thirsty 16-year-old girl, leads to the first of Radhika Phuyal's

human trafficking experiences. The birth of her first son, Rohan, signifies the next

horrific episode in Radhika's life - she is trafficked again. Living in India, separated

from her son and forced to have sex with more than 20 men a day, Radhika refuses

to accept her lot. Desperate to be reunited with her child, she finds the strength to

escape her horrific life and rescue her son, changing their lives forever. Journalist

Sharon Hendry tells Radhika's horrifying yet inspiring story. She highlights the

pervasive nature of human trafficking in the 21st century, while demonstrating

what a mother's love for a child can

achieve when the odds are stacked
dangerously against them both.

Hayes
The harrowing true story of a high-school senior, her parents, her secret online relationship with a handsome, manipulative stranger, and her well-laid plan to leave home and country to marry a man in Kosovo she thought she loved. The Baldwins were a strong, tight-knit family living in Texas. When their seventeen-year-old daughter, Mackenzie, met Aadam in an online chat room, she fell for his good looks, his charm, and his respectful conversation. He lived in Kosovo, and they began talking regularly. The more attached Mackenzie became to Aadam, the more detached she became from her family. Mackenzie's parents, John and Stephanie Baldwin, had no clue there was a man behind their daughter's sudden change in personality, her surprising

Bookmark File PDF

Trafficked The Terrifying

interest in Islam, and her withdrawal from friends and family. When Mackenzie's attachment to Aadam increased and they became "engaged," Mackenzie started making plans to fly secretly to Kosovo and marry Aadam. But twenty-five days before Mackenzie was scheduled to leave the country, three friends in whom Mackenzie had confided told Mackenzie's father. Through the help of their pastor, John Baldwin contacted the FBI and asked for help. The FBI did not believe Aadam was involved with ISIS or that he was trying to radicalize her, but they were concerned about Aadam's intentions, as that part of Kosovo was known for sex-trafficking and money scams. With just 72 hours left before Mackenzie's planned departure, three FBI agents confronted her and urged her to stay. Told from the viewpoint of both father and daughter, *Almost Gone* allows us to walk with this family through

Trafficked The Terrifying

Mackenzie's network of lies and deceit and John and Stephanie's escalating bewilderment and alarm. More than a cautionary tale, this is the story of unconditional parental love and unwavering faith, and how God helped a family save their daughter from a relationship that jeopardized not only her happiness, but also her safety.

Hannah has struggled ever since her parents were killed and her beloved uncle vanished. So when she's offered the chance to leave Moldova and become a nanny for a family in Los Angeles, it seems like a dream come true-and at first it is. But after weeks of working sixteen-hour days and not being able to leave the house, she still hasn't been paid. As things go from bad to worse, Hannah realizes that things are not at all what they seem and she finds herself doing things she never
