So the opportunity to spend the summer teaching at a writer's retreat in an idyllic villa on the shores of Lake Garda - owned by superstar author Arran Jamieson - could this be just the thing to fire up Brie's writing - and romantic - mojo? Brie's sun-drenched Italian summer could be the beginning of this writer's very own happy-ever-after... Escape the January blues with this sun-drenched, heart-warming story from the bestselling author of Snowflakes Over Holly Cove. What readers are saying about Lucy Coleman... 'I adored this book. Carla Bruni. Giorgio Armani. Luciano Pavarotti. Giada De Laurentiis. Sophia Loren. The Leonardos (Da Vinci e DiCaprio). From fettucine to fashion and back again, nobody does La Bella Vita like the Italians. Whether preparing a meal or sculpting the David, singing an aria or seducing a lover, Italians take their time, and do it right--adagio! In this bellissimo primer, Romans Aminda Leigh and Pietro Pesce show you how to achieve that sensual perfection in everything you do, leading you on a smolderingly hot journey through each of the five senses: Sight (vista): Toss the shabby, shapeless clothes and dress up! Italians take meticulous care of their appearance and are always fashionable. Sound (udito): Act like an Italian and emphasize the positive whenever possible. Touch (tatto): Touch like all Italians do--double-kiss, hold hands, touch other people's arms, and gesticulate! Smell (olfatto): Take a ride on an Italian motorbike and pay attention to the scents of your environment--the sea air, a coffee shop, a flower garden . . . Taste (gusto): Forget inhaling a heavy dinner--eat like Italians and savor a long, leisurely home-cooked meal! From fashion and film to food and language, this book is the crash course in Italian living every Italophile should indulge in, pronto!

Bernardo de Galvez was a Spanish general who played a key role in the American Revolution. Without him, the patriots would not have won the war or at the very least, it would have taken them a much longer time to do so. That's a fact! His role was so important that on a wall of the Capitol the seat of the U.S. Congress there is a portrait of him, and he was even granted honorary United States citizenship by President Barack Obama not long ago. Would you like to get to know Galvez? Open this book and start reading!

Twenty years have passed since the Italian Communists ' last Congress in 1991, in which the death of their party was decreed. It was a deliberate death, accelerated by the desire for a " new beginning. " That new beginning never came, and the world lost an invaluable, complex political, organizational and theoretical heritage. In this detailed and probing work, Lucio Magri, one of the towering intellectual figures of the Italian Left, assesses the causes for the demise of what was once one of the most powerful and vibrant communist parties of the West. The PCI marked almost a century of Italian history, from its founding in 1921 to the partisan resistance, the turning point of Salerno in 1944 to the de-Stalinization of 1956, the long ' 68 to the " historic compromise, " and to the opportunity--missed forever--of democratic transformation. With rigor and passion, The Tailor of Ulm merges an original and enlightening interpretation of Italian communism with the experience of a militant " heretic " into a riveting read--capable of broadening our insights into contemporary Italy, and the twentieth-century communist experience.
